CQ 016/2024:

Provision of Services of an Occupational Health Physician

The Occupational Health and Safety Authority (OHSa) is seeking the services of an occupational health physician, registered with the Medical Council under the Healthcare Professions Act in the Occupational Medicine Register, to assist in the following areas:

- The provision of advice to OHSa on matters related to occupational health, including psychological occupational health,
- Conduct investigations on behalf of OHSa of cases of occupational disease / ill-health notified to OHSa and prepare up reports of workplace visits, accident/ill health investigations,
- Carry out medical examination of workers as part of any investigation and,
- Assist OHSa in the analysis of data and statistics related to occupational health, including psychological occupational health.

If you are interested in being contracted under a 'contract for service' by OHSa on the above matters, kindly indicate your hourly rates for service rendered for the above.

The duration of this contract for service will be for twelve (12) calendar months from contract signature.

Interested bidders are to send quotations via the designated email address procurement.ohsa@ohsa.mt **till noon of Friday 16th February 2024**.

Although preference will be given to the cheapest and technically compliant offer, OHSa is not bound to accept the lower of any offer and likewise to give reasons for the acceptance or rejection of any offer.

OHSa - February 2024
